Galloping to Our Future...

Hello JYES families!

Winter seems to be hanging on, the good news for those of us who enjoy winter activities there should lots of snow and warmer temperatures next week. Wishing all of our families a wonderful March Break!

Character Day!
Today was Character Day at John Young, and there were no shortages of characters. Here are just a few of staff and students!

International Women's Day
Am proud to work in a profession that has been defined by women. Creating an education system looks after and nurtures our most valuable resource, our children. Explaining the significance of days like this can be challenging especially to younger children. Here is a link to a video that I have watched with my own 6 year old daughter, to help her better understand.
To all the amazing women of the John Young community Happy Women's Day!

Girls Triple Ball
The Girl's Triple Ball teams wrapped up their season this week with a tournament at Bridlewood School. Both Tier 1 and Tier 2 teams played against other schools in the area and consistently displayed good sportsmanship, excellent effort, and a love of the game. It was a lot of fun and the girls ended every game with big smiles on their faces. So did the coaches! At the end of the day, the Tier 1 team finished in 3rd place, and the Tier 2 team finished 4th after a three way tie for 2nd place came down to point differential. Way to go Colts!

New School Consultation
Consultation has begun for the proposed new Fernbank School. If you are looking for information on the process you are welcome to attend our monthly School Council meetings, as well you can find more information at this website.
